Hi Rich,

I just wanted to let you know I received a phone call from the Susquehanna County Assessor Office. They have the CD of the parcel information which we bought from them. I'm not sure the best way to get the info since I am currently in Wheeling. If you have someone close-by do you want to see if they can pick it up and then either e-mail me the file (if it's not too large) or post the file to the FTP Site? If you do have someone to pick it up, please let me know and I can let the Assessor's office know who will be picking the CD up.

Also, have you heard anything from the County 911 center?

Thanks,

Suddha Graves
